SECURITY INFORMATION

SUBJECT: RUMOSET

TO: Chief, DFLUCK
Frankfurt, Germany

INFO: Chief, OKFENCE
Chief, ZELOPE
Security Officer, DTAPID

REFERENCE: 2978-CWFO

1. We regret to have to inform you that the home office is unable to comply with your request in reference dispatch that RUMOSET be evacuated to the U. S. through ZELOPE channels. We fully concur, of course, in your recommendations for subject's evacuation and in the reasons necessitating this action prior to the event of JEEPPIKE. However, a review of subject's personnel file by home office ZELOPE officials indicates that subject is not sufficiently qualified to become an instructor at the ZELOPE "Political Action School", the only part of the ZELOPE program now being conducted in the United States. On the other hand, while subject's background qualifies him for an instructor's position in the ZELOPE para-military training program, we have been informed that this school has not yet been organized and that its future status is, moreover, in real doubt at the present time.

2. These reasons make it impossible to evacuate RUMOSET to the U. S. through ZELOPE channels. In view of this fact, and if the field does not decide to delay subject's evacuation until such time as the status of the ZELOPE para-military training program in the U. S. has been clarified, it will be necessary to explore the possibility of evacuating subject and his family to a third country. Your comments and suggestions regarding the latter course of action would be appreciated.

1. We request to have to inform you that the new office is
unable to comply with your request to provide documents that
are required by reference to the U. S. House READING, REVIEW, COMMENT,
or SUPERIOR, ACCURATE, THOROUGH, or otherwise, in your REQUIREMENT FOR RELEASE.
We are unable to do this because notwithstanding that action taken to
date, we are unable to determine whether such action taken to
date is sufficient to satisfy your requirement for release. In
addition, notwithstanding that action taken to date, we are
unable to determine whether or not the nature of the
documents required by your reference to the U. S. House READING,
REVIEW, COMMENT, or SUPERIOR, ACCURATE, THOROUGH, or otherwise,
is such that we can not have obtained and have in hand
such documents, or otherwise, to read each of the present files.

2. These same notes is impossible to provide because
of the fact that such notes are not in order of date, and
therefore it is also to delay action, examination and
processing of the notes, particularly reading, for
the possibility of examining which, and its ability to a take
action, would be dependent upon the latter course.
